New User Registration  
Best Practices Guide

# PSTAT Site: New User Registration Best Practices Guide

New to the PSTAT site? Click **Register** to register for the site and get started!

The screenshot shows a 'Sign In' form on a yellow background. At the top center is the title 'Sign In'. Below it are two input fields: 'Email address:' with a placeholder 'Enter email address' and 'Password:' with a placeholder 'Enter password'. To the left of the form is a dark blue button labeled 'Register'. To the right is a dark blue button labeled 'Login'. Below the password field is a dark blue button labeled 'Forgot Password?'.

Trained with us before? Use the same username and password and click **Login**. No need to register again!

Trained with us before, but can't remember your password? Click **Forgot Password**.

Enter your legal first name and last name and a valid phone number.

Enter the email address you use for work (if you work for a school or district). Otherwise, use an email address you check regularly. You cannot change your email address once you have registered.

## REGISTRATION

**Instructions:** Complete all required fields. Select an IU, District, and School from the drop down menus. If you are a District or School Coordinator, select the appropriate checkbox. Select the REcaptcha checkbox and click submit to complete registration.

\*Required Fields

First Name \*

Last Name \*

Email Address (school/work) \*

Confirm Email \*

**Intermediate Unit \***

**District \***

**School \***

Enter the IU,  
district, and school  
to which you  
belong.

Don't belong  
to one? Select  
Non-IU and  
Other.

In charge of making sure everyone at  
your district or school is trained?  
Select **District Coordinator** if you are in  
charge of your district.  
Select **School Coordinator** if you are in  
charge of your school.

Just here  
to train?  
**DO NOT**  
select a  
box!

If you are the designated school or district test coordinator and oversee the training of all proctors and administrators within your school or district, select the appropriate check box below. If you are only responsible for training yourself, do not select a check box.

District Coordinator

School Coordinator

Uh oh!  
Are you a  
human  
being or a  
machine?

Prove it by clicking  
"I'm not a robot" and  
answering the  
question provided. It  
will look something  
like this....

I'm not a robot

Select all images with street name signs.
